FOR IMMEDIATE RELEASE

HEFREN-TILLOTSON NAMED BEST FINANCIAL ADVISOR IN PITTSBURGH

PITTSBURGH– Hefren-Tillotson, Inc., one of Western Pennsylvania’s largest investment advisory and financial planning firms, has been recognized by *AdvisoryHQ* as among the Best Financial Advisors in Pittsburgh.

The awards are based on three key pillars from data-mining and analytics of public record filings and are highly focused on total assets under management (AUM), firm size/quality and the amount of revenue generated by an advisory firm.

AdvisoryHQ methodologies are built on a wide range of filters including fiduciary duty, independence, quality of services provided, overall value provided, transparency, level of customized services, history of innovation, fee structure, customer experience (positive and negative), team excellence, and experience.

“The dedicated advisors at Hefren-Tillotson exemplify the best of the wealth management industry,” said Kim Tillotson Fleming, company Chief Executive Officer. “We congratulate our team of advisors who have been named to this distinguished national list by providing exceptional service to their clients, while continuing to grow their high-caliber practices.”

AdvisoryHQ News Corp is a global news media and publishing institution that provides worldwide news coverage, publishes and distributes content for major news media companies, and prints independent reviews of top firms across different industries and sectors. We are headquartered in California, and we operate across the U.S., Canada, U.K., Europe, and Australia.

Since being launched, *AdvisoryHQ News* has experienced tremendous growth in viewership with a 6,490% cumulative growth rate.
