ADVISORY HQ NAMES HEFREN-TILLOTSON ONE OF THE BEST PITTSBURGH FINANCIAL ADVISORS

PITTSBURGH – For the third consecutive year, Hefren-Tillotson, Inc., one of Western Pennsylvania’s largest investment advisory and financial planning firms, was named one of the Top Financial Advisors in Pittsburgh by AdvisoryHQ.

Top 10 Best Financial Advisors is an independent listing published by AdvisoryHQ. The selection process was based on a wide range of criteria including fiduciary duty, independence, transparency, level of customized service, history of innovation, fee structure, quality of services provided, team excellence, and wealth of experience.

As one of the top wealth management firms in Pittsburgh, Hefren-Tillotson offers its clients the benefit of deep financial expertise and a straight-forward approach to financial planning. Through the MASTERPLAN® process, clients can choose between holistic wealth management and basic financial planning, allowing them to select the approach that best fits their distinct needs.

This flexibility, combined with the strong values and client-facing principals of unbiased financial advisement, solidifies the firm’s 5-star rating as one of the top-rated financial advisors in Pittsburgh to partner with in 2019.

“We work with great clients and constantly strive to find new and better ways to help them,” said Kim Tillotson Fleming, Hefren-Tillotson Chief Executive Officer. “This recognition just reflects the firm’s continued pursuit of our core values: integrity, commitment to excellence, teamwork, and deep respect for the individual.

“We are proud of our advisors and the exceptional work that they do for our clients.”

AdvisoryHQ uses a multi-step selection methodology for identifying, researching, and generating its list of top ranked firms. AdvisoryHQ's review and ranking articles are always 100% independently researched and objectively written. Firms do not pay for their ranking. In fact, most firms do not even realize that they are being reviewed and ranked by AdvisoryHQ until after their reviews have been completed and published to the public.
